So just keep on smiling whatever betide you,

Seniors Capture Spirit Week Title

Demp's played drums

An assembly featuring a satire on "Laugh-In" was the featured event of Monday of West Valley's third annual Spirit Week. Other feature events of the week were; Monday, the banana eating contest. Tuesday, the bubble gum blowing contest, and the Tug of War between the junior and sophomore boys. Wednesday; the pie eating contest and the tug of war. Thursday; the senior powder puff team stomped the juniors with a score of 38 to 8.

Half time entertainment for the game was provided by a tricycle race in which all classes competed. Friday; the final day of Spirit Week was highlighted by a pep assembly and the final game of the season against the East Valley Knights.

“Courtin’ in a Cornpatch”

This year's Sadie Hawkin's Dance was held on November 20 in the cafeteria. It was well decorated for the occasion in corn stalks, paper scarecrows, and little brown jugs. Music blasted through the room, provided by Hot Rock, and pictures were taken by Theron. Seniors Debbie Reiger and Bob Levan, dressed as barrels of Brand X, won awards for best costumes.

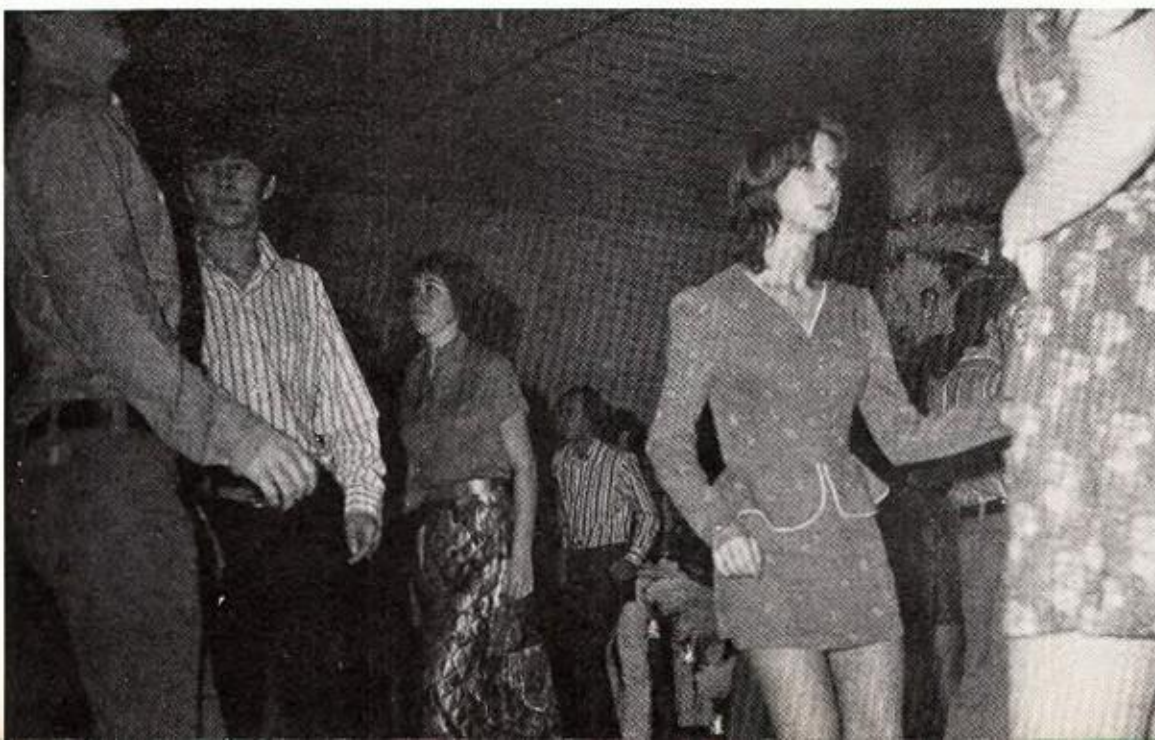

Some of the couples attending the dance were: Linda Zeis and Cal Haye dressed as mice; Colleen Polley and Kevin Krebs went as bunnies; Terri Wagar and Mike Bird are shown posing for pictures; Linda Fletcher and Bill Peterson were dressed as clocks; Misty Crawford and Gary Barros went as "jolly green giants"; Karen McKittrick and Dan Frisby also went as bunnies; and Kathy Keeling and Terry Osso are shown at the hitching post while listening to their vows.

Pep Club Presents "Holly Filled Haven..."

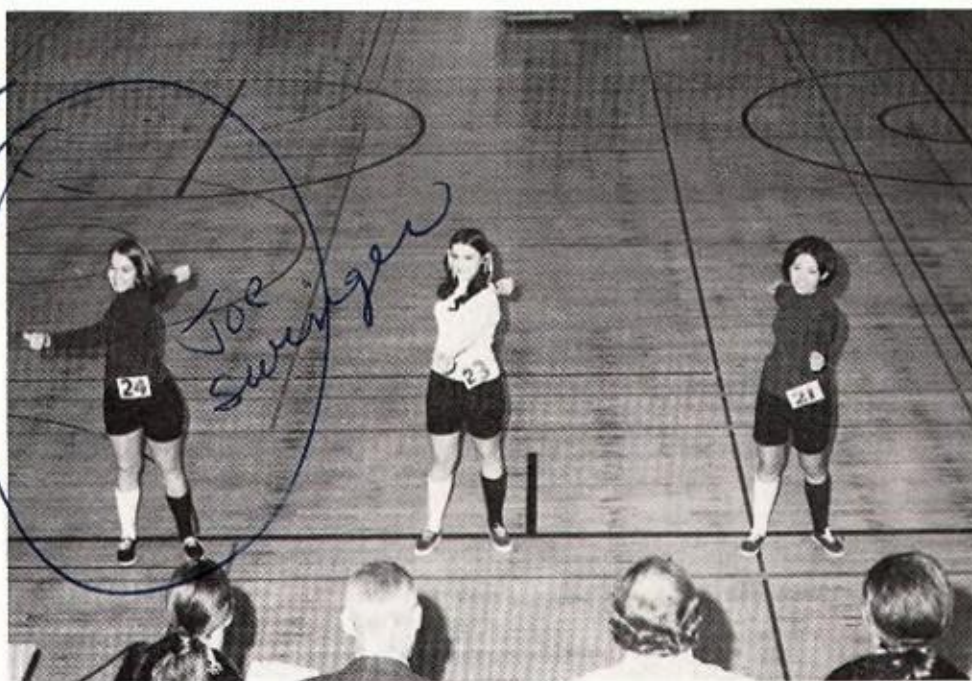

This year's Christmas dance was thoroughly enjoyed by everybody who managed to stay for the whole affair. The cafeteria was decorated as the tradition holds, with the usual flocked Christmas tree. Daybreak played music for the dance on December 21, with Linda and Bill having the honors as royalty. In all, the dance and/or the postfunctions proved very memorable.

Ransom, Ayala Capture Jr. Miss Titles

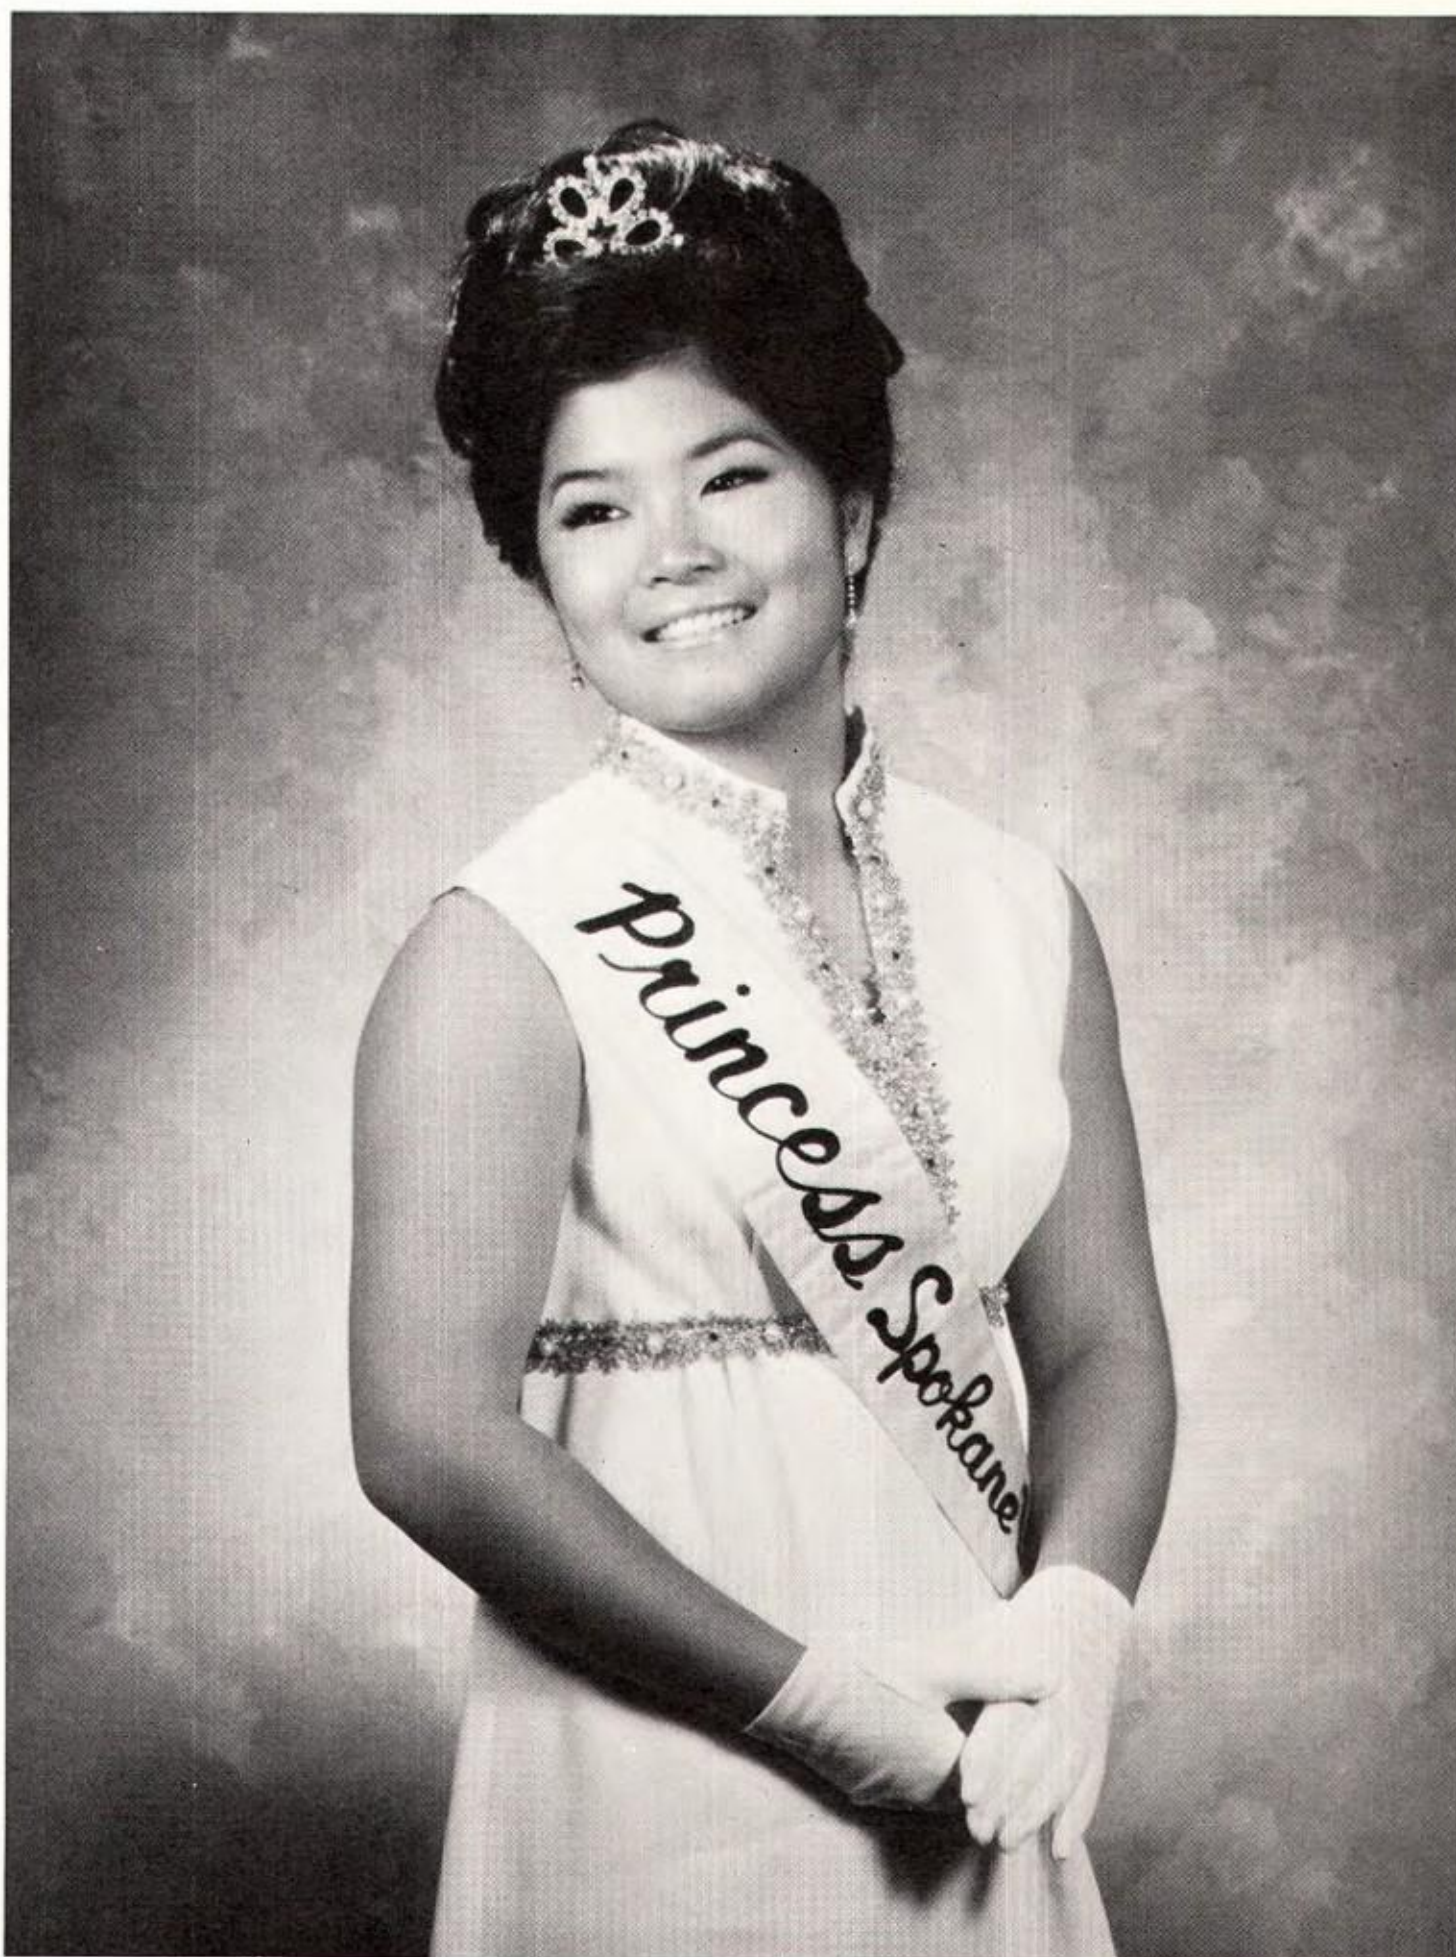

West Valley seniors Cheryl Ransom and Debbie Ayala were first and second runners-up in this years annual Spokane Valley Junior Miss contest, sponsored by the Spokane Valley Junior Chamber of Commerce.

The girls were judged on poise and appearance, physical fitness, scholastic achievement, and judges interview.

Debbie Ayala also took the title for poise and appearance.

Donni Shimizu Chosen as W.V. Princess

Donni Shimizu was chosen as West Valley's Princess in the Miss Spokane Valley Contest. As princess Donni will attend other pageants as Royalty, will attend ribbon cutting ceremonies, and various luncheons.

Other candidates for the title were Katie Schoonover and Chris McLean.

The contest was sponsored by the Spokane Valley Chamber of Commerce.

Kris Chosen Lilac Princess

No-one has ever been more honored than this year's Lilac Princess, Kris Meier. Her soft manner and friendly smile have won her many friends in the years she has attended West Valley, and everyone is proud that a girl of her talent is representing us this year in the festival. Others competing for the honor were Georgianna Gonder and Gail La Rue. We give our congratulations to them for making the Semi-finals and our thanks that such worthy girls gave their time to represent us.

"To Love Somebody" Offers

An old fashioned bridge of blue and silver decorated the cafeteria for the annual Junior Prom held May 8, 1971. The theme of this years prom was "To Love Somebody." The Juniors danced amid roses and hearts to the music of "Daybreak." Royalty for the 1971 Junior Prom was:
 King.....Bill Peterson
 Queen.....Linda Fletcher.
 Other members of the Royal Court were Pam Evans, Colleen Polley, Cheryl Ransom, Gail LaRue, Lloyd Johnson, Cal Haye, and Jeff Doud. The night full of memories was captured in pictures by Burchetts. Punch provided refreshments for the evening.

Quiet Moment for Juniors

“On the Threshold of a Dream...” is Dreamy

This year's annual Senior Ball was a really memorable occasion. The handsome decor of the Spokane Club provided a beautiful atmosphere and music was played by Day Break. To some people's dismay, the punch was not spiked, for a change, but everyone seemed to be enjoying themselves just the same. Kris Meier was chosen queen and the handsome king was Cal Haye. The court consisted of princesses Cheryl Walker, Gail LaRue, Linda Zeis and Rachel Selid. John Swanson, Rick Barbero, Don Theobald, and Bob Leven were the princes. Afterwards everyone was nearly flooded out at the Cedar's Restaurant but no-one could honestly say that the night was a complete failure. After all, how often this year did EVERYONE get together for a good time?

Year Remembered in Photos

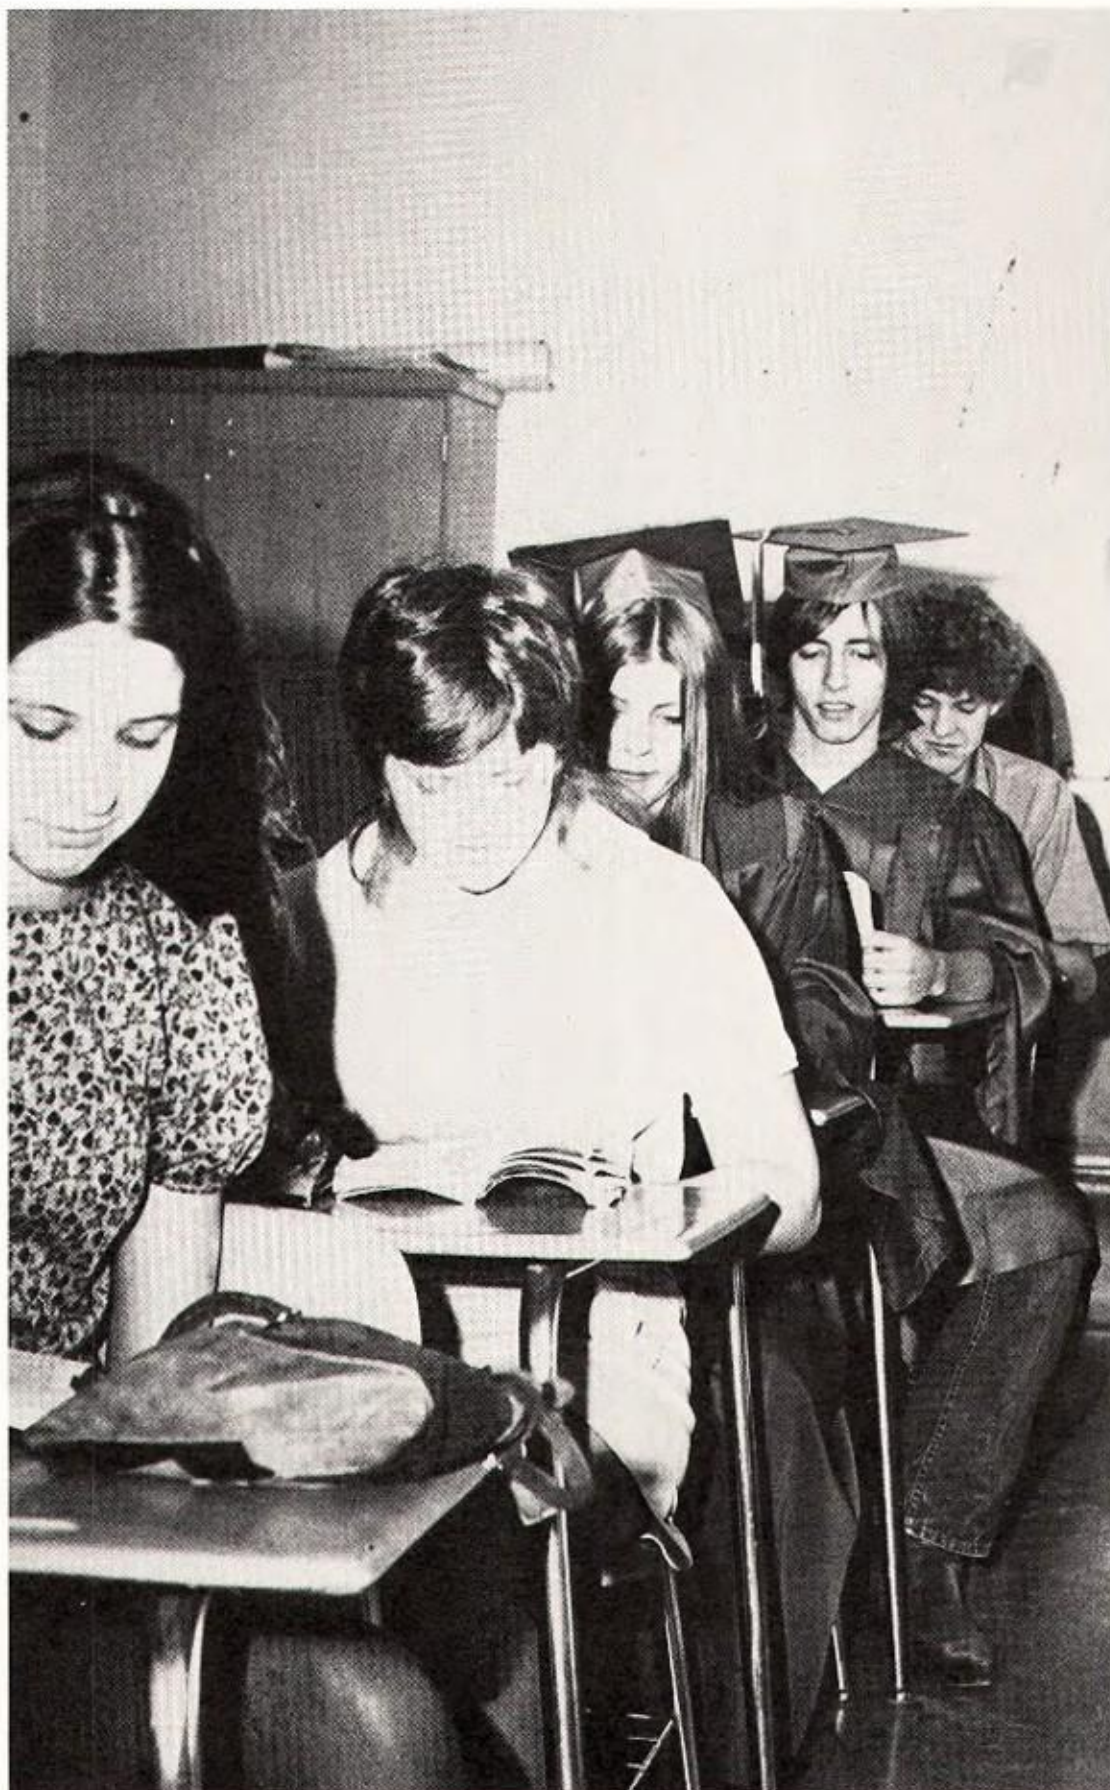

Along with the snow and sleet of January came the KJRB ALL AMERICANS ... and they tasted defeat in the Eagle gym. Everyone at the leadership conference pitched in with the work and fun-making. When tulips started blooming bare feet and puddles of water got better acquainted ... then came the sun in earnest with graduation and the new summer.

The West Valley football team ended the 1971 season with a 3-4-1 record and a fourth place league finish. Early injuries to key players forced many players to play unfamiliar positions and on both offense and defense. Interceptions, fumbles, and penalties stalled Eagle drives short of the goalline. Yet, despite these handicaps, Eagle achievements were many. They had 2,160 total yards, 280 more than the opposition, had more first downs while Jeff Doud broke the single game rushing record with 263 yards, and in doing so, set a new school career rushing record with 1520 yards. The biggest achievement of all however, was the pride installed in their team by the players. Despite misfortune they didn't quit, and as a result started West Valley back on a winning philosophy.

Top Left: Coach Miller supervises practice. Left: Steve Gannon, football co-captain and Jeff Doud, co-captain and Inspirational award winner. Top: Eagles in preparation.

Small in size but big on heart were the trademarks of the 1971 Eagle B-Squad football team. Although playing teams that were bigger and stronger, the players more than made up for their lack of size with desire. Against EV, a goalline stand with but seconds left proved the difference between victory and defeat. By ending the season with a 4-3 record, and a third place finish, they proved that the biggest aren't always the best.

Overwhelming was the word used when describing the 71-72 West Valley tennis team which for the second consecutive year completed the fall season in first place with a perfect 10-0 record. The team, which was dominated by six seniors, won eight of their ten team matches by shutouts, 62 of 66 individual matches and had two singles players and one doubles team which were undefeated. In the all-City Tennis Tournament, Wally Heidenson and Donni Shimizu provided the highlight of the year when they captured the mixed doubles championship, while Bob Dompier and Steve Price finished second in the Doubles competition to pace the Eagle team to a third place tournament finish.

A tenth place in state, second at the all-league meet, a second place league finish, and a 4-1 league record were the credentials of the 71 cross country team. Hard work, dedication, and determination were the earmarks of the team as they ran every day before and after school regardless of weather. But varsity runners were not the only ones to work. Behind the scenes preparing for the future were the B-squaders. In the all "B" meet, Eagle runners swept the first eleven places giving an indication as to what hard work can accomplish.

The 1971-72 West Valley basketball team had a year of thrills and disappointments. Picked by local papers to win the Border League Championship, the Eagles proceeded to drop their first five games. The only pre-Christmas win being over Couer d'Alene, which was later to be second in the Idaho State Championship. Regrouping after Christmas the Eagles won six of their last ten and ended up third in league standings.

Highlights of the year were: Two wins over CV; the first by 15 points and the second by one point at CV in which Bill Conant's 20 foot set shot swished through at the buzzer, capping a comeback in which the Eagles had been down by five points with but one minute left to play; Bill Peterson being chosen on the All-Border first team, Kevin Krebs to the second, and Bob Campbell receiving honorable mention; earning a place in the district 8 playoff.

The 71-72 B-Squad basketball team had an outstanding season as they compiled a thirteen and five record. Three of the five losses were to Border League teams, but each school who defeated WV, was also beaten by them. There will be some great competition among this group as they strive for positions on the future JV and Varsity teams.

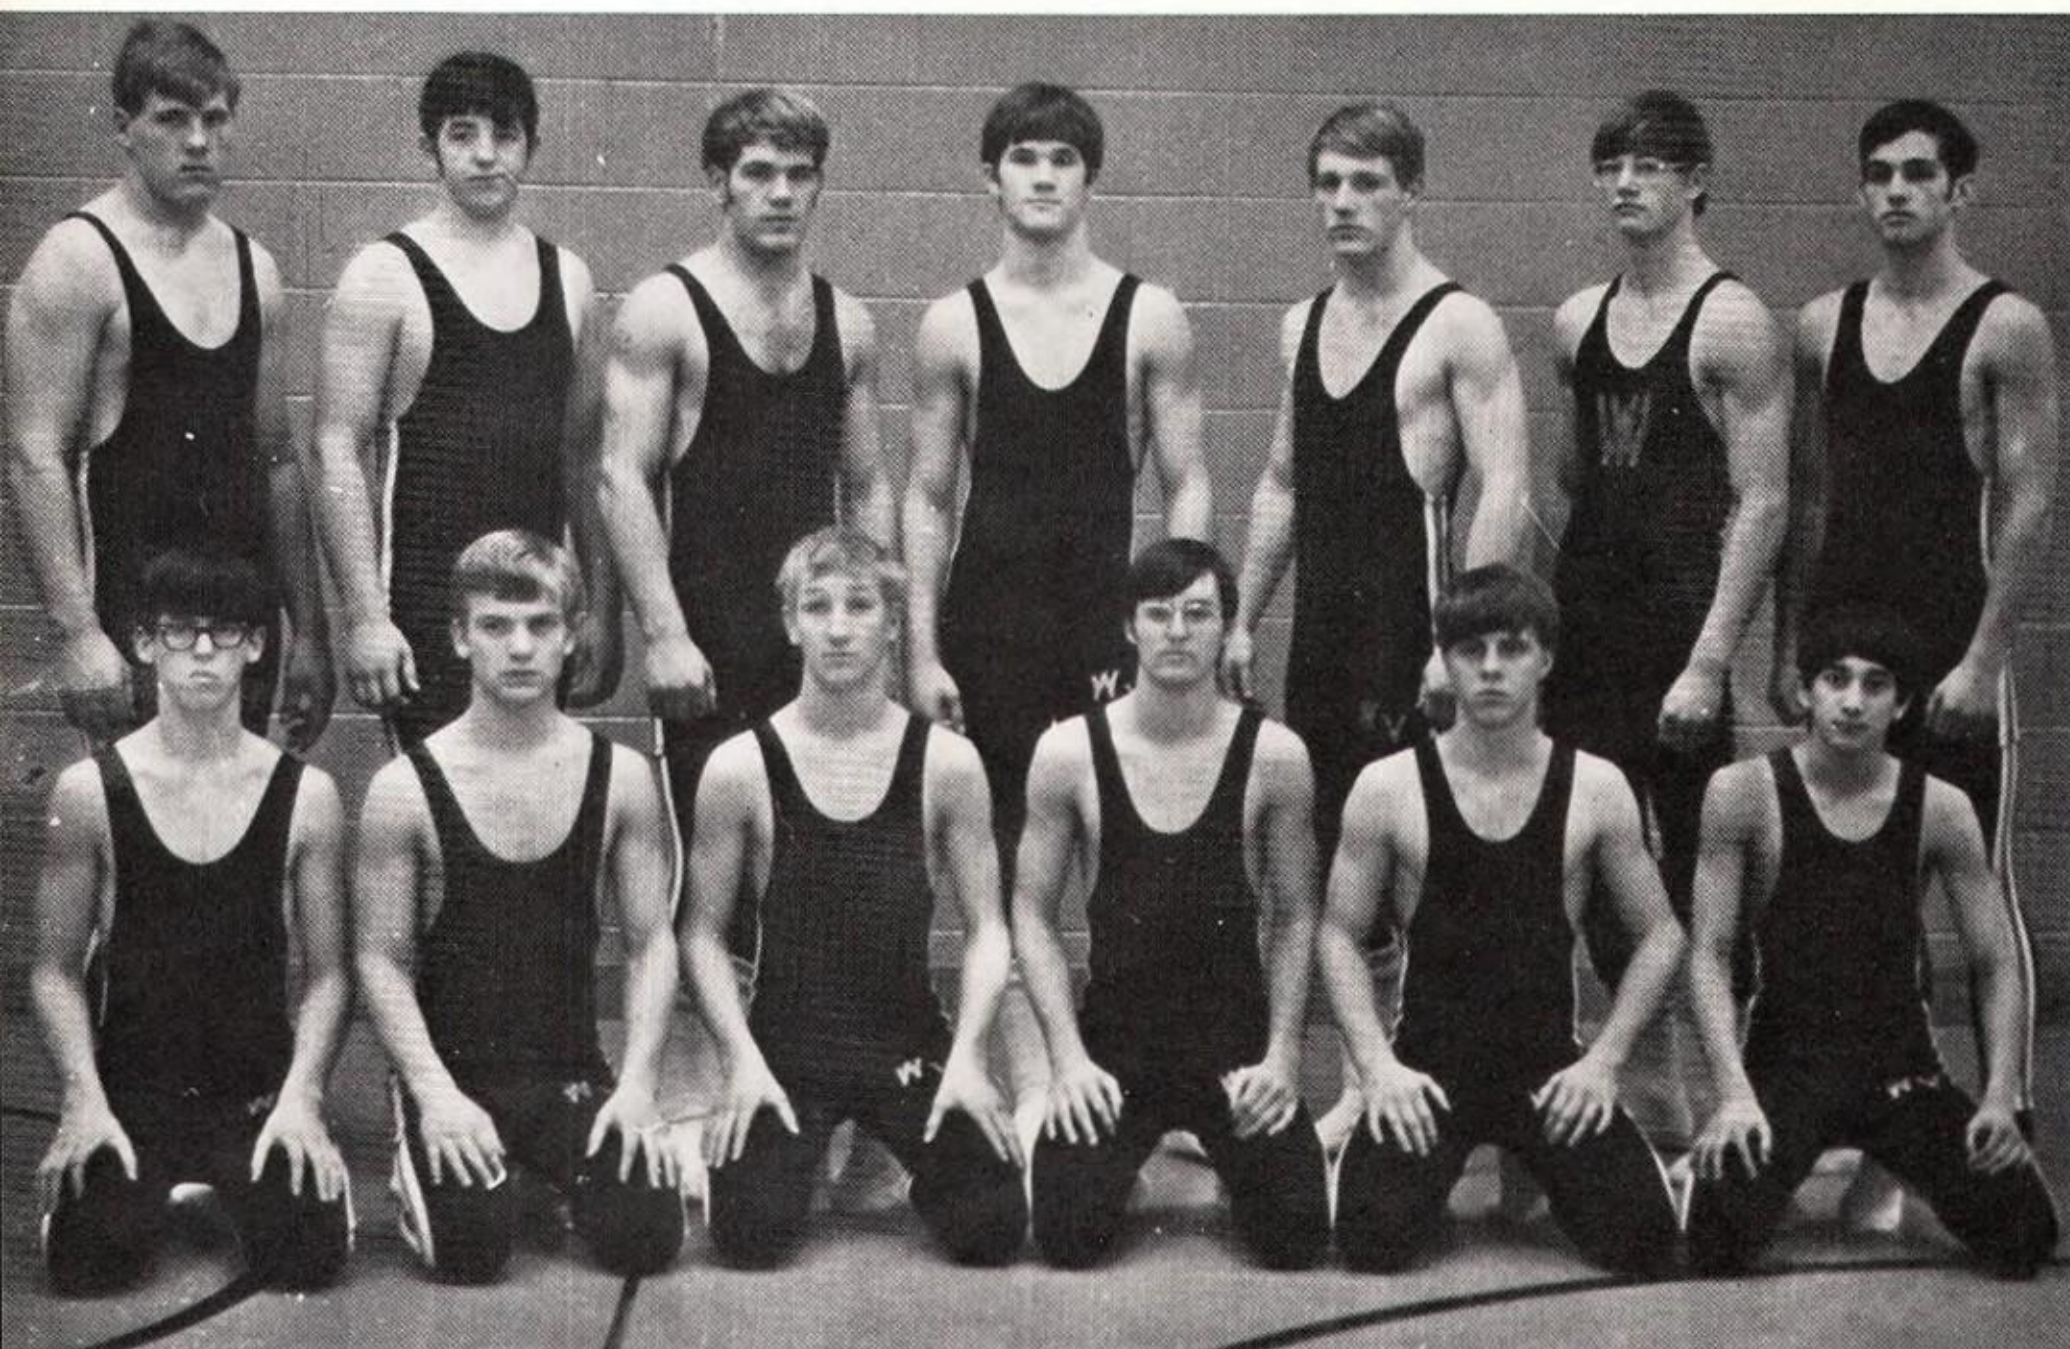

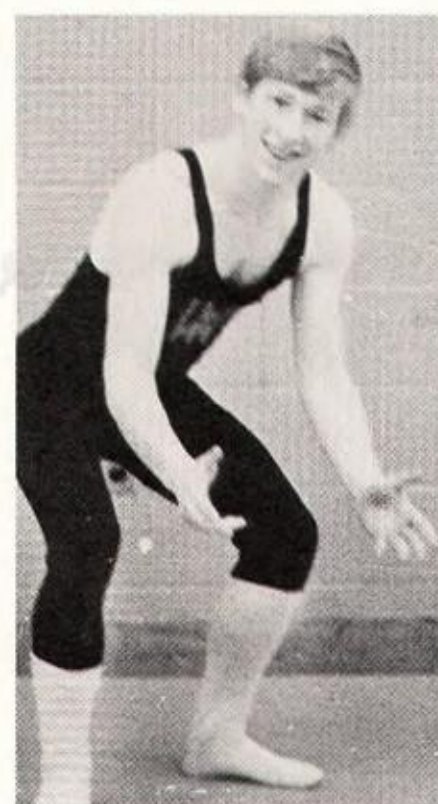

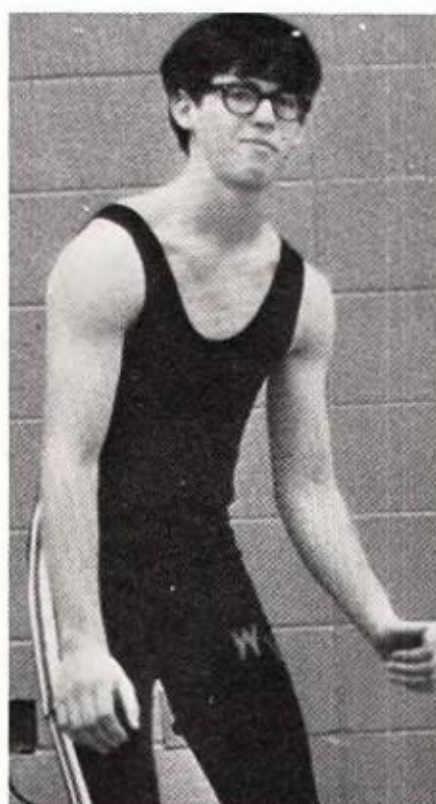

Leading scorer for the season was Nelson McAlister, followed closely by Al McElroy. Rebounding strength came from Gary Burchart, Jerry Focht, and Jack Lewis. McElroy was elected honorary captain by his teammates to cap a fine season.

The Junior Varsity basketball team was established for the benefit of junior boys wishing another year of formal basketball competition. Interchange of personnel with the varsity team is common, thus giving boys the opportunity to improve their skills and move up to the varsity team. All junior varsity competitors are encouraged to turn out again their senior year.

The West Valley Wrestling Team had its greatest season to date. The team won the first State Wrestling Championship in the entire Spokane area. The team won district, sub-regional, regional, and the state team titles, plus winning the Border League title with a 5-0 season. WV had three state champions, Tim Parcher, who was 25 and 3, Steve Gannon, who was undefeated at 27-0, and was the only Spokane wrestler to defeat the Japanese all stars. Jeff Doud was also undefeated at 27-0. This was the finest tournament wrestling team that West Valley has had to date. The obvious reason for this can be seen by showing the record of our state team.

West Valley wrestling can look to next year with pride with four of this year's tournament team returning and some promising juniors and sophomores coming up. West Valley will both miss and remember this year's seniors as they all contributed greatly to the success of this year's state championship.

Hard work, improvement, no lunch, and sophomores and juniors made up the B-squad and JV wrestling teams. The B-squad was 9-2 while the JV's were 2-6-2 as they gained much needed mat experience. Of the 40 who were originally out for wrestling, 28 stayed with the program to earn their B-squad and JV awards. Now all those people are anxiously awaiting next year's turnout so they can earn their place on the varsity.

THE MAN

A Tribute to Dr. George Daniel

It is with deep respect for the goals he has accomplished in the field of Education that we of the West Valley Annual Staff dedicate the 1972 Eagle to Dr. George T. Daniel, former superintendent of the West Valley School District.

Dr. Daniel started his teaching career in Walla Walla where he later became an elementary school principal. He then moved to Ellensburg, where he received statewide acclaim for his development of a special education system.

He became the administrative assistant for instruction in the West Valley District in August of 1965, moving up to superintendent a year later.

Dr. Daniel remained as superintendent until June of 1971 when he accepted the job of superintendent of the Kent School District in Seattle.

It is the hope of the 1972 Eagle staff that the students of West Valley share with pride and a sense of accomplishment the goals Dr. Daniel has set for our district.

Cheryl,
Remember when
you first moved in
next door? It seems
like only yesterday!
It's hard to say everything
I want to, because there's
so much we haven't
seen to much of
each other since
high school & for that
I'm sorry. But I hope
you won't forget me
in the future! Good
luck Cheryl with
life and all.
Love,
Cheryl

The completion of this "72" Eagle came only after many hours of thought and hard work on the part of many people. From our first page to our last it would never have been possible without the cooperation of the entire staff. A very special thanks to the 1972 Eagle Staff and its advisor Mr. Bob Peterson who gave of their time to make this a very special year. Thanks also to
